#### DUST CONTROL POLICY

---

Dust control is applied at the request of the ratepayer or resident.

Coordination and application is as follows:

<b>Product</b>	To be determined by council before application each year
<b>Supplier</b>	To be determined by council before application each year
<b>Eligibility</b>	All <i>Occupied Residential Sites</i> located on a municipal road within the boundaries of the RM of Antelope Park No. 322
<b>Coverage</b>	200 metres x 8 metres
<b>Non-Residential Sites</b>	Dust control requests for non-residential sites must be presented to Council for approval
<b>Cost</b>	The ratepayer is responsible for the cost of supply and applying the product <b>if not a residential site</b> , or for <b>extended coverage</b> unless approved by council.
<b>Site Preparation</b>	The RM is responsible for site preparation
<b>Billing</b>	Once we receive the final invoice from the provider, ratepayers will be invoiced for the cost of the product and application. Invoice is due within 30 days of invoice date or any outstanding amount will be added to the tax roll by resolution of council and will form part of the taxes.
<b>Non-Landowner</b>	Dust control product ordered by a resident who is not a landowner within the municipality must be pre-paid prior to application.
