8. Numerals indicating the official number of each house or building, or each front entrance shall be posted in a manner as to be visible from the street on which the property is located.
9. In case a house or building is occupied by more than one family dwelling unit or business, each separate front entrance of said house or building shall bear:
 - a. The same number extended with a letter of the alphabet beginning with the letter "A" and proceeding with as many as are required.
10. All civic address numbers shall have a contrasting color on the background (i.e. white number on dark buildings or black numbers on light colored buildings.);
11. An owner shall not display on a property any number which is not the assigned civic number with the exception of a building number (i.e. A.B.C), or unit number (i.e. #1-203), or a number which is clearly part of a business name;

7. Civic Address Sign Placement

- a. For rural single parcels of land the civic address sign shall display the civic address assigned by the municipality pursuant to the Civic Addressing Bylaw with the civic address sign affixed to the right hand side of the approach to the parcel of land (looking from the road to the parcel) where it is visible from the primary access at the property line with the road allowance, or at such other location as may be directed by the Administrator;
- b. For parcels of land within a multi-parcel subdivision, the civic address sign shall display the civic address assigned by the municipality pursuant to the civic addressing bylaw with the civic address sign affixed to the right hand side of the approach to the parcel of land (looking from the road to the parcel) or fence, at the property line with the road allowance, where it is visible from the road or at such other location as may be directed by the Administrator.

- c. Each civic address sign shall be affixed at a height of 1.2m to 1.5m from ground level to the top of the civic address sign.

8. Civic Address Sign Installation and Maintenance

- a. For rural single parcels of land located outside the current established hamlets, the Municipality shall be responsible for all supply and installation of civic address signs;
- b. For single parcels of land located inside the current established hamlets, the Municipality will supply basic house numbers in white and black. The owner is responsible for the installation of the numbers in accordance with this Bylaw.
- c. For new developments after the passing of this Bylaw, the developer or property owner shall be responsible for the supply and installation of civic address signs in accordance to this Bylaw.

9. Civic Address Sign Costs

- a. The Municipality shall be responsible for all costs relating to the supply and installation of civic address signs for:
 - i. All single parcels of land that have been assigned a civic address prior to February 4, 2025;
- b. For all civic address signs for parcels of land that are assigned a civic address on or after February 4, 2025, or where a sign has been vandalized or stolen, owners or developers shall pay the costs associated with the supply and installation of civic address signs whether or not a civic address sign had previously been installed by the Municipality or another party.

10. Offences and Penalties

- a. No person shall use a rural address sign if such sign does not comply with this Bylaw.
- b. No person shall deface or remove any sign placed under the authority of this Bylaw.

No person shall obstruct a sign placed under the authority of this Bylaw with any natural or man-made object whether or not temporary.

- d. Any person who contravenes any provision of this bylaw is guilty of an offence.
- e. Upon conviction, a person guilty of an offence under this bylaw shall be liable to penalties as outlined in the Rural Municipality of Antelope Park No. 322's General Penalty Bylaw No. 2018-01, as amended or replaced from time to time.
